Education

B.E Artificial Intelligence & Data Science 2021/08 – 2025/06 | Pune
Dr. D. Y. Patil College of Engineering 🔗
- Cum GPA: 8.6/10

Professional Experience

Operation Analyst 2023/09 | Pune, India
Cloud Prism 🔗
- Enhanced operational efficiency through analytical skills. Identified and addressed operational bottlenecks.

AI Ethics Research Intern 2023/06 | Pune, India
Z-Inspection® 🔗
- Applied analytical skills to assess ethical implications in AI research.
- Identified and addressed potential ethical concerns within AI algorithms.

Amazon ML School 2023/10 | Pune, India
Amazon 🔗
- Advanced proficiency in machine learning concepts through Amazon ML School. Identified and addressed challenges in ML workflows.

Microsoft Student Learn Ambassador 🔗 2023/11
- Demonstrated effective communication and leadership skills as a representative of Microsoft in the academic community.

Projects

Bank Customer Retention 🔗
- Engineered deep learning model for bank customer retention. Identified key factors impacting attrition.
- Applied data-driven insights to enhance retention. Showcased expertise in practical deep-learning applications.

Bookies 🔗
E-Commerce
- Innovated book resale platform, showcasing effective strategies.
- Demonstrated prowess in e-commerce development and optimization.

Race Salary Prediction 🔗
- Engineered Race Salary Prediction project using ML and data preprocessing.
- Applied algorithms for unbiased salary predictions. Proficient in ML for practical problem-solving.

Certificates

IBM Data Science 🔗 | Machine Learning 🔗 | Data Analysis 🔗 | Responsive Web Design 🔗

Achievement's & Extracurricular Activities

- Monthly **College Topper** Coding Ninja 🔗
- Intelliswift **Hakathon Rank 5** in Maharashtra
- **Technical Co-Head** ISA Club
- Led College Football Team **Ranked 3rd** in University

Skills

Machine Learning, Deep Learning, NLP
Python, C/C++, Java, SQL

Web Development, Django, Flask, Bootstrap
Data Structure & Algorithm, Database Management
